

An illustration of a coastal scene. In the foreground, a woman in a red and white swimsuit stands on a stone path, holding a large yellow and orange surfboard and a paddle. In the background, there's a blue body of water with a sailboat, a small boat with people, and a coastal town with white buildings and orange roofs. Two people are sitting on the path, one with a scuba tank. A seagull is on the ground. The scene is framed by palm leaves at the top and a stone wall on the right.
